CAREER OBJECTIVE

I am a junior front-end developer specialized in HTML, CSS, React Js and some CSS Frameworks. I am to going work with different projects as a member of a team. I am skilled in maths, and I have attended competitions in Competitive programming as a math problem solver. The most important thing is I believe in myself and I count myself responsible. However, as I am Muslim, I only work on projects which is permissible within the Sharia of Islam.

Education

October 2021 - March 2022 / Na'jot ta'lim

- I study in National University of Uzbekistan in 3rd degree for bachelour degree
